

## INSTALL GUIDE - Apple TV

### How to add the GlenwoodTV app from your device

1. You will need an Apple ID. If you do not have one, go to iTunes on an Apple device, then App Store. Click on Add new Apple ID.
2. If you are not currently a Glenwood customer, call Glenwood at 866-756-4746 or visit your local business office to sign up and receive your username and password.
3. You will then be prompted to Sign In to Your TV Provider. Click Sign In.
4. Type "GlenwoodTV", search for it, or if using Siri, say "GlenwoodTV". Select the GlenwoodTV app.
5. Enter the username and password you were given from Glenwood.

To learn more about your Apple device or setup, visit [Apple.com/tv](http://Apple.com/tv) or call the Glenwood Help Desk at 866-756-4746.
