INSTALL GUIDE - Roku

How to add the GlenwoodTV app from your device

1. You will need a Roku account. If you do not have one, visit www.roku.com/us and create an account.
2. If you are not currently a Glenwood customer, call Glenwood at 866-756-4746 or visit your local business office to sign up and receive your username and password.
3. From the Home screen on the left, select Streaming.
4. Press the right arrow button on your Roku remote and type "GlenwoodTV" in the search box.
5. Scroll to the right to select from the list.
6. Press the OK button to select the channel.
7. Press the OK button to add the channel.
8. Utilize your Glenwood username and password to sign in.

To learn more about your Roku device or setup, visit support.Roku.com or call the Glenwood Help Desk at 866-756-4746. Not all features available with all Roku devices.
